If for any reason a student is unable to attend his allocated training session, he must contact his coach and notify them as a matter of courtesy. The Track and Field coaching staff is comprised of experienced members of staff from Villanova, as well as several external professionally qualified coaches.

We do understand that many of our athletes will have other co-curricular commitments including AIC Rugby League, AIC Tennis or AIC Basketball. The Sports Office at Villanova College is keen to negotiate an individual training schedule with these students for them to participate and represent the College in Track and Field. This is important to our program as it ensures our best athletes are representing Villanova on the day of the Championships.

All Track and Field athletes are required to purchase the items below from the College Uniform Shop and wear them to all AIC Track and Field meets as well as on the day of the Championships. Please note, these items are not for loan or hire, each student must purchase their own items.

We recommend that the Year 5 students hold off buying any clothing until their place in the squad is confirmed by their coach. In the meantime, these boys can wear their PE uniform until further notice.

## VILLANOVA COLLEGE TRACK & FIELD UNIFORM

- Villanova squad shirt (same shirt worn by the AIC swimmers/cross country runners)
- Villanova T&F singlet (used for Cross and Country and Track and Field)
- Villanova T&F shorts or rugby shorts (green)
- Villanova sports cap (green)
- Villanova black sports socks
- \*Some families may want to wait until the squad is announced until purchasing T&F singlet.
